

## News Letter\_August.2018\_Monthly news

e-GM Tech renewal homepage opened

It reflects the latest trend, which is different from the existing method which was based on PC, and it shows optimized response homepage on mobile and tablet.

It has been reorganized into a system that can communicate with customers as well as the existing one-way information transfer function.

**Product Introduce**

MOVIE LINK

**SLIM 35W / 50W**
